

Championing your values in California

4 ways to get educated about family values with SaveCalifornia.com!

1. Be informed! Watch videos, listen to audios, and see other informative posts on our Instagram page:

<https://instagram.com/savecalifornia> (click the ► button)

2. What aren't they telling you? Receive trustworthy updates to educate and equip you:

- Subscribe for free to SaveCalifornia.com "Insider News" (email updates)
- Stand with SaveCalifornia.com year-round as a Monthly Warrior, and receive our in-depth newsletter, plus other information, alerts, and encouragement on California issues on a monthly basis

3. Want your friends, acquaintances, and older children to be informed on how we can have family values, a safe and prosperous society, and good government again?

Invite Randy Thomasson to your church, school, or home!

- **Church seminar:** Hear from Randy's decades of experience and wisdom on how to do good in your family and community for free speech, religious freedom, and biblical values that benefit us all.
- **School workshop:** Have a micro-school, church school, or homeschooling pod? Let teenagers learn from Randy why moral and family values make for a good society, and how to make a practical difference in your community. Randy loves teaching teens and pre-teens!
- **Home gathering:** Invite your friends to gain hope that, together, we can shine our lights more strongly. Invite Randy to speak about family-value issues and policies to love, serve, and do good.

To see how you can have Randy speak to your group, contact SaveCalifornia.com at 916-265-5650 or by using our contact form: <https://savecalifornia.com/contact.html>

4. Invitation to Christian-format radio stations (or if you know someone who works there)

Have avails? Run PSAs? Want to make your station's programming more current and relevant? Want your listeners educated, informed, equipped, and activated? Ask for a free demo of the SaveCalifornia.com Minute with Randy Thomasson.

This 60-second educational, family-values radio commentary is already airing on California stations, and can air on your station too. Increase listenership and station loyalty -- contact SaveCalifornia.com at 916-265-5650 or by using our web form: <https://savecalifornia.com/contact.html>.
